

Reporting Obligations according to MiFiD II/MiFiR

Version:1.0

10 March 2020

General Information

According to Article 58 of the Markets in Financial Instruments Directive 2014/65/EU (“MiFID II”) it is provided:

“1. ... that a market operator operating a trading venue which trades commodity derivatives or emission allowances or derivatives thereof:

(a) make public a weekly report with the aggregate positions held by the different categories of persons for the different commodity derivatives or emission allowances or derivatives thereof traded on their trading venue, specifying the number of long and short positions by such categories, changes thereto since the previous report, the percentage of the total open interest represented by each category and the number of persons holding a position in each category in accordance with paragraph 4 and communicate that report to the competent authority and to ESMA; ESMA shall proceed to a centralised publication of the information included in those reports;

(b) provide the competent authority with a complete breakdown of the positions held by all persons, including the members or participants and the clients thereof, on that trading venue, at least on a daily basis.

3. ... members or participants of regulated markets, MTFs and clients of OTFs to report to the investment firm or market operator operating that trading venue the details of their own positions held through contracts traded on that trading venue at least on a daily basis, as well as those of their clients and the clients of those clients until the end client is reached.”

Moreover, pursuant to Article 26 of Regulation (EU) No. 600/2014 of 15 May 2014 on Markets in Financial Instruments (“MiFIR”):

“5. The operator of a trading venue shall report details of transactions in financial instruments traded on its platform which are executed through its systems by a firm which is not subject to this Regulation in accordance with paragraphs 1 and 3.

3. ... For commodity derivatives, the reports shall indicate whether the transaction reduces risk in an objectively measurable way in accordance with Article 57 of Directive 2014/65/EU.”

HEnEx SA (“HEnEx”) operates a Regulated Market as defined in Article 4.1(21) of MiFID II Directive.

Athens Stock Exchange SA (“ATHEX”) is authorized from the Hellenic Capital Market Commission (“HCMC”) as an Approved Reporting Mechanism (ARM). HEnEx will perform the transaction reporting through ATHEX.

HEnEx SA (“HEnEx”) requires its trading members to contribute to its own reporting requirements as set forth by the Financial Energy Market Rulebook (Derivatives Market), and MiFID II/MiFIR provisions.
