

Ref. No. EnExClear: 62/27.01.2022

CEO'S Decision

No. 2/2022

Subject: Determination of participation fee for Energy Clearer Certificate seminars

Article 1. Purpose - Scope

1. The objective of this Decision is to determine the fee for participation in the Energy Clearer Certificate (ECC). Energy Clearer Certificate (ECC) seminars organized by EnExClear for each Market in which EnExClear operates as a Clearing House, including the Natural Gas Trading Platform.
2. The terms of this Decision shall have the same meaning as the one assigned to them by Law 4425/2016, Law 4001/2011 or other relevant national or Union Law, in the Clearing Rulebook for Transactions on Day-Ahead & Intra-Day Markets, in the Clearing Rulebook for Positions on Balancing Market, in the Rulebook for the Clearing Transactions on HEnEx's Natural Gas Trading Platform, as well as in the other Decisions issued in their implementation.

Article 2. Certification charges of EnExClear seminars

The fee for participation in the ECC seminars is set at one hundred and fifty euros (€ 150.00) plus the corresponding VAT where applicable.

Article 3. Entry into force

This Decision enters into force as of 27/01/2022.

This decision is to be posted on EnExClear website www.enexgroup.gr
