

## EnExGroup's Natural Gas Trading Platform

### Members Call for Admission

Following the approval of the Trading and Clearing Rulebooks and Decisions for the Natural Gas Trading Platform by RAE, EnExGroup calls all parties willing to register to follow the Admission Process.

The Trading and Clearing Rulebooks and Decisions are already published at EnExGroup's Website [here](#).

- Candidate Trading Participants, follow the instructions and submit the required forms as described at the EnExGroup's website [here](#). Kindly note that [REMIT package documentation](#) should also be submitted during the Stage 1 process.
- Candidate Clearing Members, follow the instructions and submit the required forms as described at the EnExGroup's website [here](#).

Applicants shall ensure that all documents/required forms submitted are duly signed. Candidate Participants as well as Clearing Members, either seated in Greece or abroad, may at their choice sign the necessary documentation either digitally (with a properly certified digital signature issued by a qualified trust service provider) or physically (also properly certified). Participants as well as Clearing Members seated abroad are kindly reminded of their obligation to affix an Apostille Stamp where applicable.

Participants in existing EnExGroup Markets may submit their application via the [EnEx JIRA Service Desk](#) using the category "Participation" and select "HEnEx Membership" or "EnExClear Membership" accordingly. Other Candidates shall submit their application in hardcopies to EnExGroup headquarters or via email in case of digitally signed as previously mentioned.

Kindly note that all existing EnExGroup Participants & Clearing Members, either in the energy spot markets or in the Derivatives market, that have recently submitted or updated their legal representation documents, are not required to re-submit them, unless the legal representation has been amended in the meantime or explicitly requested by EnEx Member Support.

**Please note that, in order to ensure a timely admission process for the expected Go-Live, all relevant documents/forms shall be submitted by the latest on 4<sup>th</sup> March 2022.**
