### Info

#### Event scope

The event is directed to HEnEx’s Participants in the Electricity Spot Market (DAM/IDM). The scope of the event is to familiarize HEnEx’s Market Participants with the new arrangements that will be implemented in the Intra-Day Market once Continuous Trading (XBID) will be launched for the Greek Bidding Zone.

## **Pricing**

Free of charge.

## **Registration**

Please register [here](#) by 04/07/2022, 16:00 (EET).
