HEnEx Energy Derivatives Traders Seminar overview and registration process

Overview

The seminar will focus on technical trading specifications on Derivatives Market and the functionality of the XNetTrader application. The seminar will be held in English.

Objectives

Seminar attendees will gain further insight of trading practice. Market schedule, trading methods, order types, product specifications, underlying market and derivatives clearing basics will be analyzed, both at rulebook level as well as a hands-on demonstration of the XNetTrader application.

Who should attend?

Traders who wish to acquire HEnEx's "Energy Derivatives Trader Certificate (EDTC)" and/or market professionals who wish to gain a deeper understanding of HEnEx's Derivatives Market.

EDTC candidates who meet all criteria of Article 3 par. 3.5 of Decision 3: "[Members' professional competence in the Financial Energy Market \(Derivatives Market\) of HEnEx](#)", will be eligible to apply for an Energy Derivatives Trader Certificate (EDTC) from HEnEx, by making use of the exemption from certification exams.

Please be aware that, the certification process through an exemption from exams is only available to employees of HEnEx's Participants and that all Participants of the Derivatives Market of HEnEx must employ at least one Certified Trader.
