HEnEx Energy Traders - Gas (ETC_G) Seminar overview and registration process

Overview

The seminar will focus on technical trading specifications on the NG Trading Platform and the functionality of the XNet Trader application. The seminar will be held in English.

Objectives

Seminar attendees will gain further insight of trading practice. Market rules, timelines, order types, trading methods and relevant technical decisions will be analyzed. A hands-on demonstration of the XNet Trader application will follow.

Who should attend?

Traders who wish to acquire HEnEx's "Energy Trader Certificate - Gas (ETC_G)" and/or market professionals who wish to gain a deeper understanding of HEnEx's NG Trading Platform.

ETC_G candidates who meet all criteria of Article 2 par. 2.5 of Decision 3: "Participants' professional competence in the Natural Gas Trading Platform of HEnEx", will be eligible to apply for an Energy Trader Certificate - Gas from HEnEx, by making use of the exemption from certification exams.

Please be aware that, the certification process through an exemption from exams is only available to employees of HEnEx's Participants in the NG Trading Platform and that all Participants of the NG Trading Platform of HEnEx must employ at least one Certified Trader.

Pricing

The Participation Fee is €186.

The fee needs to be deposited to HEnEx's Bank Account until Friday 17/03/2023. The deposit information field should include the text "HEnEx Energy Traders - Gas (ETC_G) Seminar".
