## Energy Clearers Seminar overview and registration process

### Overview

The seminar will focus on Clearing & Risk Management for DAM/IDM, Balancing Markets and Natural Gas Trading Platform and the functionality of the Energy Market Clearing System (EMCS) application. The seminar will be held in English.

### Objectives

Seminar attendees will gain further insight of Energy Spot Markets clearing & risk management related issues. Membership Rules, Accounts Structure, Clearing Cut Offs, Collaterals Management, Risk Management Rules, Settlement Technical details and relevant technical decisions will be analyzed, both at rulebook level as well as a hands-on demonstration of the EMCS application.

### Who should attend?

Anyone who wish to acquire EnExClear's "Energy Clearer Certificate (ECC)" and/or market professionals who wish to gain a deeper understanding about Clearing & Risk Management for HEnEx's Day-Ahead, Intra-Day and Natural Gas Trading Platform or IPTO's Balancing Market.

### Pricing

The Participation Fee is €186 (VAT Included).

The fee needs to be deposited to EnExClear's Bank Account until Friday 17/11/2023. The deposit information field should include the text "EnExClear Seminar Fee -" followed by the applicant's name.
