HEnEx Energy Traders Seminar overview and registration process

Overview

The seminar will focus on technical trading specifications on DAM/IDM and the functionality of the WebTrader application. The seminar will be held in English.

Objectives

Seminar attendees will gain further insight of trading practice. Market timelines, order types, validation rules, nominations, priority price taking orders and relevant technical decisions will be analyzed, both at rulebook level as well as a hands-on demonstration of the WebTrader application.

Who should attend?

Traders who wish to acquire HEnEx's "Energy Trader Certificate (ETC)" and/or market professionals who wish to gain a deeper understanding of HEnEx's Day-Ahead & Intra-Day Markets.

ETC candidates who meet all criteria of Article 3 par. 3.5 of Decision 2: "[Professional competence of Participants' Certified Energy Traders participating in the Day-Ahead & Intra-Day Markets of HEnEx](#)", will be eligible to apply for an Energy Trader Certificate from HEnEx, by making use of the exemption from certification exams.

Please be aware that, the certification process through an exemption from exams is only available to employees of HEnEx's Participants and that all Participants of the Day-Ahead & Intra-Day Markets of HEnEx must employ at least one Certified Trader.
