ETC Exam overview and registration process

Overview

The study material for ETC examination can be found [here](#). The examination focuses on the regulatory framework of HEnEx's Spot Markets (DAM/IDM), trading practice and main functions of the WebTrader application. The examination uses the multiple-choice test system and it will be held either in English or Greek¹.

Objectives

The exams are conducted according to the relevant HEnEx Decisions. Exam objectives can be found at Decision 2: "[Professional competence of Participants' Certified Energy Traders participating in the Day-Ahead & Intra-Day Markets of HEnEx](#)".

Pricing

The Certification Fee is €150 (not subject to VAT charges).

The fee needs to be deposited to HEnEx's Bank Account until Tuesday 20/06/2023. The deposit information field should include the text "HEnEx seminar fee -" followed by the applicant's name.

HEnEx's Bank account details
